Sign up for your Free World Dialup user account now!

## *Join the Free World Dialup Global Gateway Network*

Become a volunteer Free World Dial-up gateway  
operator and learn about the latest Internet Telephony  
gateway and services!

What is Free World Dial-up?

The Free World Dial-up program enables friends and family to stay in touch around the world using the latest Internet telephony technology. The program allows users to place phone to phone calls over the Internet through a network of volunteer gateway operators throughout the world.

*For program information see:*
