

# Henning Schulzrinne – Columbia University

- Old-fashioned Internet guy
- Not interested in blockchain
- Internet of Things
  - How to make IoT (and the Internet) easier to use and debug
- Public policy
  - Broadband inclusion – rural, low income, people with disabilities
  - Open Internet
  - Public safety (911/112, alerting, ...)
  - Robocall prevention
  - Network economics
- Internet architecture and standards
  - VoIP and related topics
  - Internet measurements

Internet Real Time Lab

SIP, NG-911, SECE, NetServ, DYSWIS, and Video streaming
