Homework 3

2. **(Recommended:)** Read Oded Goldreich’s Foundations of Cryptography Volume II: section 7.4 (Forcing two-party semi-honest behavior).

3. For optional further reading, check out some suggestions [here](#).

Due date:

- by Tue 4/5 (before class): Read at least the introduction of the Lindell-Pinkas paper.
- by Tue 4/12: complete the reading.
