

PhD Course Import Request

Instructions to student:

- Please complete this form and submit it to:
 - 1st:** Both Research and Departmental Advisor (if different) for approval to request import of the course
 - 2nd:** Course Reviewer for approval of the non-Columbia course
 - Last:** Return signed form to CS Graduate Student Services
- Form must be accompanied by course syllabus and transcript (in English)

To qualify for Course Import review the course must meet the following minimum requirements:

1. The course being imported was completed within the past 5 years (there are some exceptions, see import policy [here](#)).
2. The course appears on the students' transcript and the student received a grade of B+ or better
3. The course is a full-length graduate course granting degree credit towards a masters and/or doctoral degree in Computer Science at the offering institution
4. In the case of importing a course taken *during* the student's enrollment in the doctoral program, as opposed to *before* enrolling, there is no equivalent course regularly offered at Columbia

Course Reviewer please fill out this section:

1. By signing, you attest that this form has already been signed by the student's advisor(s).
2. By signing, you attest that you are a CS faculty member at Columbia but not one of the student's advisors.
3. By signing, you attest that you are a recognized expert authority on the subject matter of the course requested for import, that you have reviewed the course syllabus and any other materials, and that this course would be appropriate content and quality for our own department to offer.
4. By signing, you attest that you have reviewed the student-provided official transcript and other materials showing when the student took the course, that it was within the past five years (or an exception applies), that the grade was B+ or higher, that the course grants graduate credit in Computer Science at the offering institution (i.e., it is required or elective for a masters or doctoral degree in CS), and that it was a full-length course offering at least the usual number of graduate credits as CS courses at that institution.
5. If additional information is required from the student, do not check either box or sign the form until the student has provided that information and you have reviewed it.
