Lectures via Zoom / recording

- Available during “shopping period” (first couple of weeks)
  - Hopefully also entire semester, but we’ll see
- Find Zoom links through course website

Figure 2: Scooby-Doo meme
“All Columbia affiliates must continue to wear masks at all times in indoor settings in Columbia facilities, regardless of vaccination status.”

- You cannot remove your mask to eat or drink while inside the classroom
- If you may need to eat or drink during the lecture, do not attend the lecture in-person

Figure 3: Your face mask should cover your nose and mouth
I may need to remove my mask during the lecture
- There is a special exception for course instructors that allows this
- I will try to minimize these occurrences
- You should stay six feet away
